

Roll Call

The Banner Sheep Magazine wishes to recognize the leaders of each of the registry associations we work with most often. These leaders offer countless hours of time devoted to promoting and working with their chosen breed of sheep. Unless indicated, the listed breed secretary performs the registrations and transfers for their association. Pages 80-81 show our annual comparison of registrations and transfers among each of the breeds. Note: All breeds were contacted and requested to provide information for this annual feature. If your breed is not represented, it is because information did not get to us in time to be included. The Banner Sheep Magazine regrets any breeds not represented.
