

Roll Call

The Banner Sheep Magazine wishes to recognize the leaders of each of the registry associations we work with most often. These leaders offer countless hours of time devoted to promoting and working with their chosen breed of sheep. Unless indicated, the listed breed secretary performs the registrations and transfers for their association. Pages 80-81 show our annual comparison of registrations and transfers among each of the breeds. Note: All breeds were contacted and requested to provide information for this annual feature.

If your breed is not represented, it is because information did not get to us in time to be included. The Banner Sheep Magazine regrets any breeds not represented.

The Banner wishes to salute each and every officer and director who have stepped up to help your breed move forward. Challenging decisions need to be made at times, but we know you make them with your breeds best interests in mind. We thank you for your dedication and effort you put forth and all year long. We encourage breed members to get to know and meet your directors. They would appreciate your input.
