Multiple animals may be listed on the same paper but you will need to bring enough photocopies. *Note: WSDA will provide a veterinarian onsite to facilitate health certificates traveling outside of California at no extra cost to the buyer or seller.* A Federal Scrapie ID Tag must be in each animal's ear. - 7) Signature and printed name, address, and phone number of accredited veterinarian.

As a consignor, please ensure the above information is complete and legible. It is your responsibility to provide the sale manager clear and legible copies. You will need two copies for each animal in your consignment.

**Eliza Testing: It is required to have a negative Brucella Ovis test for all rams over 6 months of age (rams born on or before 12/20/2017).**

**DNA Requirements:** DNA Test Results are NOT required for the sale. However, BSMS believes DNA test results are a useful tool for both consignors and prospective buyers alike. Space is available on the entry forms if this information is known at the time entries are made. We will publish this information if provided in the sale catalog. Neither BSMS nor sale sponsors shall assume any liability, legal or otherwise, expressed or implied, as it relates to this information.

**Shavings:** WSDA will provide all pens with initial shavings. Additional shavings will be available onsite for a fee.

**ENTRY Forms:** Please use the enclosed entry form or enter online at [www.bannersheepmagazine.com](http://www.bannersheepmagazine.com). Stating generic information like "Information on Sale Day" sells few sheep, so please provide us with worthwhile information. It is highly recommended that you include pedigree information on all entries. Provide only the information the form calls for. Sale Management reserves the right to edit or reduce the size of extremely long footnotes. Use the space wisely and try not to repeat the same information. Quality information for the catalog improves sale results.

**Sale entries are accepted only by US Postal Service, Fax, or on our online sale form entries at [bannersheepmagazine.com/saleentry](http://bannersheepmagazine.com/saleentry). E-mail entries will not be accepted. Telephone entries are also not accepted.** Banner Sale Management takes no responsibility for entries not received. Banner Sale Management reserves the right to refuse any entries submitted. If you have any questions please contact one of our qualified sale management staff.

**Substitutions** will be allowed but must be made keeping the ram / ewe ratio.

**Catalog:** A complete catalog will be printed in the **April issue** of THE BANNER SHEEP MAGAZINE, as well as be posted on the web at [www.bannersheepmagazine.com](http://www.bannersheepmagazine.com). We also direct mail to a large list of potential buyers. If you know of anyone who would like to receive a catalog, please refer them to our website or provide us with their full name and address and one will be mailed to them.

**Sale Headquarters / Hotel Block:** A block of rooms has been reserved at Spring Hill Suites by Marriot, 1901 West Orangeburg Avenue, Modesto, CA 95350, (209) 526-2157 or (209)526-8500. It is conveniently located across the freeway from the MJC Livestock Pavilion. Be sure to state you want a "**Sheep Sale**" room for the special discounted rate.

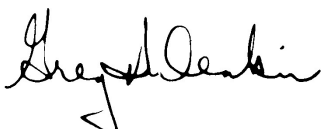

**Penning Requests:** Please include requests for penning arrangement with entries. We understand that consignors that truck or fit together wish to be penned together. We cannot guarantee these requests but they will be taken into consideration when penning assignments are made.

**Pre-Sale Advertising:** Further promote your entries with an ad in THE BANNER SHEEP MAGAZINE! Pre-sale advertising can feature pictures of sale entries and more information about your personal consignment. Contact us about more information on advertising and to set up an advertising plan.

**Internet Viewing of Events:** LIVE web broadcasting of the Show & Sale will be provided by YCCD Special Event Simulcast. Auction bidding will take place via telephone while viewing the live auction. Phone numbers for Banner Sale Management personnel the day of the event will be provided in the sale catalog. The web address to the video stream for the event is <http://simulcast.events.yosemite.edu/> Please keep in mind there might be a slight delay (usually less than 15 seconds), and this delay can vary depending on network/internet traffic. Therefore, being on the phone with a staff member while your desired lot sells ensures the video lag does not negatively affect your bid.

Don't delay! Enter your best individuals today. I will be looking forward to receiving your entries by March 10.

Sincerely,

Greg A. Deakin
