Fleece: The Ohio Dorset Association strongly recommends that all sheep be shown and sold in NO MORE than 1 inch of fleece. This will benefit both buyer and seller.

Registration Papers: All animals must have a valid registration paper turned in at sale check in. Registration papers are transferred and forwarded to buyers. Cost of transfers will be deducted from consignor settlements.

HEALTH PAPERS: The following must be on your health papers. Please take the copy of this letter to your veterinarian if necessary. You must have a currently valid Certificate of Veterinary Inspection (CVI) for every animal you sell. You will need two copies for each animal in your consignment. **(5 sheep = 10 copies)** Multiple animals may be listed on the same paper but you will need to bring enough photocopies. A Federal Scrapie ID Tag must be in each animal's ear. This applies to all animals in all classes.

Eliza Testing: It is not a requirement to have a negative brucellosis test for rams over 6 months of age. This is optional for you. There are states that require the blood test for rams to enter and you may choose to test if you have had interest from buyers from those states. Those states include: Arizona, California, Montana, Nevada, North Carolina, North Dakota, South Dakota, Texas, Utah, Washington, and Wyoming.

Sale entries are accepted only by US Postal Service, Fax, or on our online sale form entries. E-mail and telephone entries will not be accepted. Banner Sale Management takes no responsibility for entries not received. Banner Sale Management reserves the right to refuse any entries submitted. If you have any questions please contact one of our qualified sale management staff.

Entry Forms: Please use the enclosed entry form or enter online at www.bannersheepmagazine.com. "Information Sale Day" sells few sheep, so please provide us with worthwhile information. It is highly recommended that you include pedigree information on all entries. Provide only the information the form calls for. Sale management reserves the right to edit or reduce the size of extremely long footnotes. Use the space wisely and try not to repeat information. We can do a much better job of selling your sheep with quality information in the catalog.

Substitutions will be allowed but must be made keeping the ram / ewe ratio.

Sale Catalog: A complete catalog will be printed in the February issue of The Banner Sheep Magazine, as well as be posted on the web at www.bannersheepmagazine.com. We also direct mail to a large list of potential buyers. If you know of anyone who would like to receive a catalog, please refer them to our website or provide us with their full name and address and one will be mailed to them.

Online Photo Album: Banner Sale Management is excited to announce that consignors to the 2018 Ohio Dorset Sale will be able to take advantage of a complimentary Banner feature – an online photo album of entries on our Facebook page! We believe a photo album is a great supplement to the sale catalog. Photos are due March 10. We invite you to send one photo of each animal using this link: <https://form.jotform.com/BannerPublications/OHDorsetPhotos> When sending your photos, the animal's lot number is required. Once available, please use the catalog to identify your lot number(s). Photos submitted via email cannot be accepted, so please use the form link above. Photos will be posted to [Facebook.com/Banner Sheep Magazine](https://www.facebook.com/BannerSheepMagazine), and the description will include your name, flock name, the lot number and ear tag. More details can be found in the form's instructions once the catalog is available.
