Here's a ewe that just is a pretty type of sheep. She is very clean fronted with great Dorset characteristics. She also has a great pedigree. Make sure to stop by and see her.

Grand Champion Polled Dorset Ram was bred by Lauden Acres, PA and sold to Ethan Hodel, IL.

SLF 5318 was 3rd Open and 4th Junior Winter Ram at NAILE. Grasshopper has been a game changer for us. His dam is a "Road Runner" Ram & Ewe 0429 daughter. This mating flat works and has dominated our show flock the past few years. Scurred.

D-Scotch Lane Farm 0146  
P691733 RR

SLF 5338 has been a standout from day one. He has the look of his sire and is out of the same ewe family as our yearling ewe entry. I can't say enough about this family. They just make good ones, including the Junior Champion Ewe of the NAILE Junior Show.

There was a good debate to sell SLF 4313 or not. We feel she exemplifies our breeding program and what we are striving for. She was 5th Open and 2nd Junior Late Fall at NAILE and is the first female out of this ewe family to ever leave the farm.

It took some convincing to get Madelyn to sell this ewe, but she is keeping her twin sister to show. SLF 5340 is a full sibling to our popular fall ram who was Supreme Champion Ram at the Big E and sold privately to Poynter Sheep Farm.

The entire dam side of this pedigree reads Poynter. Her sire is our new Stunkel bred stud that is very unique. Rarely have I found a ram that is this sound, big boned and massive, but

Reserve Grand Champion Polled Dorset Ram was bred by Twin Oaks Dorsets, OH and sold to Taylor Crouch, IL.

still has more than adequate amount of look. His mother is the Mithoefer ewe that was purchased by Riverwood at the Ohio Dorset Sale and then was a very popular 3rd later that year at NAILE. This ewe lamb is an even combination of the two.

Megan is not real happy with Dad for letting this one go. "Primo", "Incision", "Affirm", "Boardwalk", "Dow Jones", and "Premium Pickle" are all found in her pedigree. 2511 is the full sister to the ewe lamb that won her class for Thomas Vandeventer at the KY State Fair and the NAILE Junior Show this past year where she was also 2nd in the Open Show. "Larry" stamped this one with extra length and enough style for triplets. 2511 has been the popular one by farm visitors.

2517 is out of the same ewe as our Reserve Junior Champion Ewe at last years Ohio Dorset Sale and sired by "No Show". I think we will show this one once, but think it won't be the last time she sees the shavings. Three lambs of the four lambs we are retaining from this years fall lamb crop all happen to be sired by "No Show". Pictures of entire consignment can be seen on our website and also our Crome Dorsets Facebook page.

One of the last two ewe lambs to be sold out of "Larry". He was the sire of our entire popular consignment at last years Ohio Dorset Sale that included the Reserve Junior Champion Olivia Waggoner purchased for \$4750. 2507 is the granddaughter of the Poynter ewe that was champion at the NAILE for the Poynter/Mithoefer show team. This lamb is very complete and easy on the eyes.

### Lot 120 Ewe Crome 2529

B-10/6/15 Tw  
S-Stunkel 2024 P711379 RR  
D-Crome 2231 P704641 RR

A real breeding piece best describes 2529. Her grandsire was champion ram at the Ohio Dorset Sale the last year that Riverwood consigned sheep there. In last year's lamb crop her mother raised a ram lamb that is now at stud in Texas where semen is being sold to South America. He was a ram we called "No Show" as he was never shown ... just admired. 2231 is the twin sister to the ewe that was Reserve Champion ewe at the Junior Show in Michigan. This one is fancy.

"Landmark" is our top yearling ram and would undoubtedly be our next stud buck if he weren't closely related to a lot of our ewes. He was our lead show buck last year that drew lots of attention. He is as pretty as they come in both his pattern and his breed type. He was named best headed Dorset ram at NAILE. "Sampson" need no introduction and Spilde 8498 is a "Meltdown" daughter who is also the mother of "Phalanx" Spilde 8743, which was our top selling ram in 2012 and was sold to and went to stud for Lauden Acres of Pennsylvania. He is pictured on the top of page 174 in our ad in the Dec/Jan 2016 issue of *The Banner*.

Spilde 8504 is a flush sister to the mother of "Miss Congeniality" and to the mother of "Icon". We still have a lot of those genetics so we feel we can afford to sell this one. She is a well put together ewe with a lot of style. We think she will be competitive in the show, but no matter what, she is a part of our best genetics.
