HEALTH PAPERS: Will be written at the sale. Your local or state veterinarian should be able to update you concerning the health requirements for sheep entering from your state. All sheep sold must be in compliance with current Federal Scrapie Regulations. The sale veterinarian will prepare standard, interstate health papers for transportation between states, but it is the buyer's responsibility to be cognizant of and adhere to the entrance requirements of his own state. When entry permits are required, this can often be done prior to your arrival at the sale by contacting your state office. Your local veterinarian can often help facilitate this process.

INFORMATION RETAINMENT COMPLIANCE FEE (IRCF): There will be an IRCF of \$10 per head sold on all animals added to the buyer's settlement at this sale. This applies to all animals sold through the sale. Banner Sale Management maintains records on all animals sold through the sale ring for a minimum of five years to be in compliance with regulations as set forth by the United States Department of Agriculture.

MAIL BIDS: If you cannot attend the sale in person, a number of individuals will be able to handle your bids. These include the Sale Manager, Greg Deakin, the auctioneer, ringmen and judge. All mail bids must have pre-approval by Sale Management prior to the start of the sale. All mail bid animals must be paid for within 5 days or assessed a 5% fee. The above Buyer Premium applies to all mail bids. Banner Sale Management advises that you contact us well in advance of the sale if you are considering using a mail bid at this sale.

SALE PHONE: 309/338-3294.

NOTICE: Neither the sale management, the Maryland Sheep & Wool Festival, nor the consignors to the sale assume any risk or liability in case of accidents of any kind or losses of any kind to any person or persons in attendance at the sale.

TERMS AND CONDITIONS

TERMS: Cash. All purchases are to be settled with the clerks immediately following the sale and before the sheep are removed from the premises unless arrangements and approval have been made with the Sale Manager prior to the sale. The auctioneer's decision is final on any disputed bids. All animals are at purchaser's risk as soon as sold. A 10% handling fee will be added to all mail bids not paid within five days of the sale. A 20% surcharge will be assessed to any insufficient funds check issued. Buyer shall be responsible for any and all costs of collection, including attorney's fees. Institutions may pay by requisition. Foreign buyers must pay in U.S. funds. Registration papers will not be transferred to the new owner until paid in full.

SALE GUARANTEE

Except for those stated in the below guarantee, there are no warranties, either expressed or implied, as to the merchantability of fitness for a particular purpose with respect to the sheep being sold in this sale.

The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provide, and all obligation or liabilities.

1 - Every ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial, and the animal is found to be a non-breeder, shall have the privilege of replacing the ewe with one of equal value to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown subsequent to the date of the sale. All ewe lambs are exempt from the breeding guarantee the first year.

2 - Notification of non-breeder ewes must be made to the seller prior to April 1st the following year.

3 - This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed or implied.

4 - Neither the Sale Managers nor sponsoring organizations can or will assume any responsibility as to the authenticity of the pedigrees, bloodlines, or information provided in the sale catalog, pen cards or otherwise, and the subsequent genetic performance of any sheep purchased. All such information must be accepted at face value. Any statements or information given sale day supersedes cataloged information. Any special guarantees or claims offered by individual consignors is strictly between the consignor and the buyer, and will not be enforced by the Sale Managers or the sponsoring organization.
