We are bringing a couple of our best. 17-8 was in our show flock this year and is the largest ewe lamb in the barn. Both sire and dame are sired by "Buddy", our popular ram lamb in 2013. 17-8 goes back to Bunker Hill 1631 twice as well as BA 99-9. 15-10 is the largest ewe we've raised and was in our show flock in 2016. Should be fun to show in 2018.

17-26 is a very three dimensional ewe from a great ewe family. 15-35 is a super complete, large ram that we have used heavily. 11-16 is dammed by Double H 0607, a full sister to MacCauley 1955's dam. She should be fun to show and an even better brood ewe.
