This ewe was in our show flock. I think this ewe can do some damage this summer. 1404 was a show ewe and is our biggest brood ewe Sired by Romancer who has made a name for himself the past few years siring class winners at state and national levels and best headed ewe at NAILE. Great pedigree.

This ewe will be fitted but I think she will be able to create some havoc in the show ring slicked. Her dam, 1403, was first slicked yearling ewe at Ohio State Fair a couple of years ago and she looks just like her. Same sire as the ewe above and of our popular yearling ewe last year, Little Honey, and our first spring ewe lamb at state fair this past year. Great ewe.

### Lot 169 Ram Thistledown

B-9/2017 RR S-"Rainmaker" McDaniel 15-2 RR

### ATTEND THE OHIO DORSET SALE

"Rainmaker" has made a big impact on our flock. He is sired by "Captain Stubby", the National Champion, and Rainmaker himself was Champion at Ohio and Supreme Champion at Kentucky in 2016.

### Lot 170 Ram Thistledown

B-9/2017 RR S-"Rainmaker" McDaniel 15-2 RR D-RR

At the time of entry, we are still debating about which lambs to sell. Rainmaker sired the \$2900 second high selling ram at this sale last year.

### Lot 171 Ewe Thistledown

B-9/2017 RR S-"Rainmaker" McDaniel 15-2 RR D-RR

In 2017, from our flock of 12 ewes,
"Rainmaker" daughters included a pair of ewe
lambs that stood 1st early fall, 1st late fall, 1st
pair and Junior Champion at Kentucky as well
as each standing 2nd in class and 2nd pair at
Ohio

### Lot 172 Ewe Thistledown

B-9/2017 RR S-"Rainmaker" McDaniel 15-2 RR D-RR

Lambs we sold to junior exhibitors in 2017 included the National Ewe Lamb Futurity Champion, sold to Thomas Vandeventer, and the Champion Ram at the Midwest Junior Show sold to Michael Myerscough. This lamb was also Reserve Champion at the Illinois State Fair Junior Show.

### Lot 173 Ewe Thistledown

B-9/2017 RR S-"Rainmaker" McDaniel 15-2 RR D-RR

We have not specified the dams of our sale lambs, as we are still deciding at entry time. However, they will all be RR, as our entire flock became RR several years back. We also lamb everything in the fall. We think the ability to do that is one of the Dorset breed's strongest features.

### Lot 174 Ram Crome 2720

B-9/8/17 S S-Narrow Lanes 978 P719636 QR D-Crome 2243 P704638 RR

2720 shares the same dam as our popular early fall ewe lamb from the 2016 Ohio Dorset Sale. His sire is a twin brother to the high selling ram for Tim Hall at the 2015 Ohio Dorset Sale. This lamb offers extra length of body and a great set of running gears. Ask our friends at Lauden Acres about the recent impact that "Oberon" has made on their flock. He is the grandsire of this impressive young lamb.

### Lot 175 Ram Crome 2744

B-10/9/17 S RR S-"In the Weeds" Loenser 3030 P725708 RR D-Pine Ridge 3018-12088 P698713 RR

The first lamb to sell out of "In the Weeds", the Supreme Champion Ram at the 2017 NAILE Junior Show. 2744 is for you only if you like sheep that are balanced, sound and oh so functional. This lamb's mother is a beast. Names like "High Definition", "Boardwalk", "Backlash", "Affirm", "Progresser" and even the Fitz ewe that won at Ohio are all in her pedigree. Add all of that to the double shot of "Primo" that is in "In the Weeds" and you have many of the best Dorset rams in recent history all in one package.

### Lot 176 Ewe Crome 2731

B-10/6/17 Tw RR S-"In the Weeds" Loenser 3030 P725708 RR

D-Riverwood 5265 P6871960 RR

This one stings a bit; her half-sister was our Reserve Junior Champion Ewe from 2015 at the ODS and was purchased by Rachael Gately. She went on to win her class at NAILE and then was a very popular 3rd as a yearling in 2017. This year's extra fancy version is out of "In the Weeds". We like this one a lot. Extremely functional with all the extras.

### Lot 177 Ewe Crome 2735

B-10/7/17 S RR S-"In the Weeds" Loenser 3030 P725708 RR

D-Crome 2555 P718123 RR 2735 is out of a daughter of Riverwood 5265 which makes her mother a half-sister to the lamb that Rachel Gately purchased and had so much success with the past two years. This one reads a bit later maturing but has all the options to get there. This pair of ewe lambs have very bright futures and are bred to be fun in the showring and especially in the lamb-

### Lot 186 Ram Spilde 9302

B-9/4/17 Tw S-"Ranger" Sid's Dorsets 415 P716385 RR D-Spilde 9227 P725209

All five of our fall lamb entries are sired by "Ranger". He was the 2nd place yearling ram at the 2016 NAILE. The ram that beat him was Reserve Champion. We helped Sid trim "Ranger" for the show and decided we had to try and own at least part of him. We thought he could have won that class and were told by numerous others they felt the same way. Sid was gracious enough to sell us half interest. Spilde 9227 is a "Victor" daughter and "Rangers" mother is also a "Victor" daughter. This lines up his pedigree by putting "Sampson" on both sides as "Victor" is a "Sampson" son.

### Lot 187 Ram Spilde 9308

B-9/9/17 Tw S-"Ranger" Sid's Dorsets 415 P716385 RR D-Spilde 9147 P725200

9147 is a "Sampson" daughter and she is dammed by a "Rumble" daughter.

### Lot 188 Ewe Spilde 9272

B-2/3/17 S S-"Sampson" Pine Ridge 0089 P684108 D-Spilde 9049 P710722

We usually have six or so yearling ewes to offer but this year we will only have three. This is one of two that are "Sampson" daughters. It will be the last time "Sampson" daughters are available at the sales as he has moved on to the great pasture in the sky. 9049 is an "Indiana Jones" daughter.

### Lot 189 Ewe Spilde 9276

B-2/7/17 Tr S-"Landmark" Spilde 9112 P716172 D-Spilde 8504 P694035

This is the ewe that has a grand slam pedigree. "Landmark" is a "Sampson" son and sired our top fall ewe lamb from the sale last year. She is pictured in our ad in the February issue of The Banner. He also sired our fall ewe

lamb that was Reserve Champion at the All-American and many of our best lambs. We had numerous people interested in owning him but he still resides with us. 8504 is a flush ewe that we have put through the flush process as well. We have many daughters of this ewe and you can't have enough of them. "Miss Congeniality" and "Icon" are both out of separate flush sisters to 8504. We think this ewe has stud ewe capabilities and are willing to give someone the opportunity to own her.

### Lot 190 Ewe Spilde 9285 P727555

B-2/18/17 S S-"Sampson" Pine Ridge 0089 P684108 RR D-Spilde 8951 P716154

Once again, a last opportunity to own a "Sampson" daughter. 8951 is a "Sampson" daughter so this ewe is lined up real tight and ready to pop with an outcross.

### Lot 191 Ewe Spilde 9304

B-9/6/17 S S-"Ranger" Sid's Dorsets 415 P716385 RR

D-Spilde 9206 P725193

9206 is one of our daughters out of 8504 who was mentioned in Lot 189's pedigree. She is sired by "Sampson".

### Lot 192 Ewe Spilde 9311

B-9/15/17 S S-"Ranger" Sid's Dorsets 415 P716385 RR D-Spilde 9012 P710723

9012 is a big, broody "Sampson" daughter. Her dam is 8709 who is our biggest ewe and a "Meltdown" daughter just like 8504.

### Lot 193 Ewe Spilde 9312

B-9/15/17 Tw S-"Ranger" Sid's Dorsets 415 P716385 RR D-Spilde 9075 P716161
