HEALTH REQUIREMENTS - U.S. BUYERS: Your local or state veterinarian should be able to update you concerning the health requirements for sheep entering your state. All sheep sold must be in compliance with current Federal Scrapie Regulations. The sale veterinarian will prepare standard, interstate health papers for transportation between states, but it is the buyer's responsibility to be cognizant of and adhere to the entrance requirements of his own state. When entry permits are required, this can often be done prior to your arrival at the sale by contacting your state office. Your local veterinarian can often help facilitate this process.

BUYER NUMBER: Buyer numbers will be used. A buyer number is valid for all sales and in all barns. A valid picture ID is required to be presented at buyer number sign up. Buyer numbers must be issued in the exact way that registration papers are to be transferred. If you register animals in different names, you will be required to get a number for each name used. A complete name, mailing address and telephone number are required for all buyers to receive a number. This same information is needed by the veterinarians to write complete health papers.

The above Buyer Premium applies to all mail bids. Banner Sale Management advises

that you contact us well in advance of the sale if you are considering using a mail bid at this sale.

PAYING FOR ONLINE PURCHASES: Visa, MasterCard, American Express or Discover will be the only accepted methods of payment for any purchases made through the LivestockBuyer.com broadcast online unless other arrangements are made with the Sale Management prior to the Sale. The majority of our spring lambs are sired by "Skipper," and I certainly enjoy looking at them. Fantastic pedigree on this sheep: "Gunsmoke," "900," "Beer Money," "Chalk Outline," "Payback," "Vanity," "Mossy Oak" and the list goes on and on. What more could you want as a who's who on a stud ram? Last year his mother produced our lead fall ram lamb that made a big buzz. I'm digging deep with this set, I'll miss having them in my show flock.

This ewe goes back to the Hickman 674 ewe I bought in this sale in 2010. That ewe produced some great sheep for me. 36-13 never misses and is an excellent mother. This ewe will be a great brood ewe. All these entries are triplet born. Had a lot of them last year. Here's a chance to put some of them to work in your flock.

PROCEDURE ON TRANSIT ANIMALS: All sheep in transit on the Preble County Fairgrounds will be held in accordance to all Big Ohio Sale rules. Both USDA and Ohio State Veterinarian staff will be on the grounds to inspect sheep and their health papers in all trailers and those housed in the horse stalls. All delivery sheep must have permanent I.D., display proper scrapie tags and state final destination on their paperwork.

All horse stalls will be locked with a Big Ohio padlock. Keys can be "checked out" for use of holding transit sheep. Horse stall rent is \$50 plus a \$10 refundable key deposit. Contact Preble County staff on Monday or Tuesday, or contact Sam Wiford or Tyler Lobdell of Banner Sale Management staff Wednesday through the weekend. Stalls may also be reserved by calling Banner Sale Management at 309/785-5058 before Monday, May 6.
