HEALTH REQUIREMENTS - U.S. BUYERS: Your local or state veterinarian should be able to update you concerning the health requirements for sheep entering your state. All sheep sold must be in compliance with current Federal Scrapie Regulations. The sale veterinarian will prepare standard, interstate health papers for transportation between states, but it is the buyer's responsibility to be cognizant of and adhere to the entrance requirements of his own state. When entry permits are required, this can often be done prior to your arrival at the sale by contacting your state office. Your local veterinarian can often help facilitate this process.

BUYER NUMBER: Buyer numbers will be used. A buyer number is valid for all sales and in all barns. A valid picture ID is required to be presented at buyer number sign up. Buyer numbers must be issued in the exact way that registration papers are to be transferred. If you register animals in different names, you will be required to get a number for each name

used. A complete name, mailing address and telephone number are required for all buyers to receive a number. This same information is needed by the veterinarians to write complete health papers.

MAIL BIDS: If you cannot attend the sale in person, a number of individuals will be able to handle your bids. These include the Sale Manager, Greg Deakin, the auctioneers, ringmen and judges. All mail bids must have pre-approval by Sale Management prior to the start of the sale. All animals not paid for sale day will be handled as a mail bid. You can have the agent handling your mail bid pay your balance on sale day with your check, cash or credit card. All mail bids not paid for sale day will be assessed a 5% fee. The above Buyer Premium applies to all mail bids. Banner Sale Management advises that you contact us well in advance of the sale if you are considering using a mail bid at this sale.

TERMS AND CONDITIONS

All purchases are to be settled with the clerks immediately following the sale and before the sheep are removed from the premises unless arrangements and approval have been made with the Sale Manager prior to the sale. The auctioneer's decision is final on any disputed bids. All animals are at purchaser's risk as soon as sold. Sheep purchased on order must be paid within five (5) days of the sale. A 10% handling fee will be added to all mail bids not paid within five days of the sale. A 20% surcharge will be assessed to any insufficient funds check issued. Buyer shall be responsible for any and all costs of collection, including attorney's fees. Institutions may pay by requisition. Foreign buyers must pay in U.S. funds.
