NOTICE: Neither sale management, sale sponsors nor consignors to the sale assume any risk or liability in case of accidents of any kind or losses of any kind to any person or persons in attendance at the sale.

SHIPPING: Each buyer will be responsible for shipping arrangement of sheep purchased on order. Delivery can be arranged to most parts of the country. Contact Sale Management in advance for assistance.

HEALTH REQUIREMENTS - U.S. BUYERS: Your local or state veterinarian should be able to update you concerning the health requirements for sheep entering your state. All sheep sold must be in compliance with current Federal Scrapie Regulations. The sale veterinarian will prepare standard, interstate health papers for transportation between states, but it is the buyer's responsibility to be cognizant of and adhere to the entrance requirements of his own state. When entry permits are required, this can often be done prior to your arrival at the sale by contacting your state office. Your local veterinarian can often help facilitate this process.

BUYER NUMBER: Buyer numbers will be used. A valid picture ID is required to be presented at buyer number sign up. Buyer numbers must be issued in the exact way that registration papers are to be transferred. If you register animals in different names, you will be required to get a number for each name used. A complete name, mailing address and telephone number are required for all buyers to receive a number. This same information is needed by the veterinarians to write complete health papers.

MAIL BIDS: If you cannot attend the sale in person, a number of individuals will be able to handle your bids. These include the Sale Manager, Greg Deakin, the auctioneers and judges. All mail bids must have pre-approval by Sale Management prior to the start of the sale. All mail bids must be paid in full within 5 days of the sale. Mail bids not paid in full within this time frame will have an additional 10% handling fee added. The above Buyer Premium applies to all mail bids. Banner Sale Management advises that you contact us well in advance of the sale if you are considering using a mail bid at this sale.

TERMS AND CONDITIONS

TERMS: Cash. All purchases are to be settled with the clerks immediately following the sale and before the sheep are removed from the premises unless arrangements and approval have been made with the Sale Manager prior to the sale. The auctioneer's decision is final on any disputed bids. All animals are at purchaser's risk as soon as sold. Sheep purchased on order must be paid within five (5) days of the sale. A 10% handling fee will be added to all mail bids not paid within five days of the sale. A 20% surcharge will be assessed to any insufficient funds check issued. Buyer shall be responsible for any and all costs of collection, including attorney's fees. Institutions may pay by requisition. Foreign buyers must pay in U.S. funds. Registration papers will not be transferred to the new owner until paid in full.

SALE GUARANTEE

The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provide, and all obligation or liabilities.

1 - Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeder to the seller in acceptable breeding condition. The seller, after a fair trial, and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown subsequent to the date of the sale. All ewe lambs are exempt from the breeding guarantee the first year.

It shall be the responsibility of the buyer to notify the consignor, and then the sale manager, if such a problem occurs. Any consignor failing to comply by this rule shall automatically be barred from consigning any sheep in the following sale.

4 - In the event any ewe represented as being open lambs within 140 days from date of sale, seller agrees to refund the buyer the full purchase price, or buying credit, or replacement ewe, upon delivery of the ewe and lamb(s) back to the seller.

5 - This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed or implied.

6 - Neither the Sale Managers nor sponsoring organizations can or will assume any responsibility as to the authenticity of the pedigrees, bloodlines, or information provided in the sale catalog, pen cards or otherwise, and the subsequent genetic performance of any sheep purchased. Spilde 8738 is a Sampson son, and 8738's sister (8737 owned by Michael Pope) was the Reserve Champion Ewe at the 2013 NAILE. I own 1/2 interest in Spilde 8737 (Spildes retained the other 1/2). Cedar Lane 1109 is a Cartel daughter and Rumble granddaughter; she is a large frame ewe. This mating produced a stud buck with bone and thickness that should perform well.
